

Hampshire A.A. Longbow Championship 25.09.04 hosted by A.C.Delco Bowmen

Weather: Dry, cool and still a.m. changing to breezy and steady rain by lunch. The restart after lunch was delayed to see if the rain would pass but it did not. After consultation with the archers it was decided not to continue the shoot but take the results from the **Single National Round** already completed. Scores marked * have been corrected.
